STRUGGLE IS ON TO ENLIST ALL BALKANS IN WAR IN AID OF ALLIES

LONDON, Aug. 11.—German submarines have resumed operations on a large scale. Last night they sank the British steamers Oakwood and Rosalie; the Russian ship Bakster, and the Norwegian ship Mornia.

SOFIA, Bulgaria, Aug. 11.—The allies' representatives today declare there is a good chance that both Greece and Bulgaria will join the allies. Bulgaria is willing to launch a Constantinople campaign, provided Serbia makes territorial concessions. Rumania and Greece are adopting a conciliatory attitude in the present negotiations.

Serbia has informally promised important concessions. Despite this, Germany still holds the upper hand in the diplomatic struggle to secure Bulgaria's services. The effect of the fall of Warsaw has been tremendous. Most Bulgars believe that an ultimate Teuton victory is likely.

The allies' agents here are widely circulating President Wilson's notes protesting Germany's submarine. It is believed these notes are likely to influence Bulgarian opinion. In an attempt to counteract this, the German agents are circulating quotations from American newspapers trying to prove that American public men favor Germany.

2 GERMAN MINE-SWEEPERS LOST TO RUSSIANS

BERLIN, Aug. 11.—It is semi-officially stated today that two German mine-sweepers were destroyed Sunday when the German squadron encountered the Russian warships in the Gulf of Riga.

The Russian claim that three big German vessels were damaged is denied. The Germans were merely on a reconnoitering trip.

KOVNO NEXT TO BE GIVEN UP BY RUSSIAN FORCES

PETROGRAD, Aug. 11.—The War Office today admits that Grand Duke Nicholas will probably evacuate Kovno before the end of the week.

The Germans have bombarded the three main fortresses since Sunday and great gaps have been smashed. The Russians defended the wreckage and by hand-to-hand fighting foiled the Germans' attempts to advance through the openings.

If the Slavs are forced to abandon Kovno, they plan to retreat to the Vilna line and continue resisting the efforts to seize the Warsaw-Petrograd railway.

The Germans so far are unable to force the Bug river.

Southeast of Warsaw the orderly Russian retreat continues.

Zeppelins bombarded two hospital trains yesterday near Warsaw and killed many of the wounded.

The Germans lost heavily while occupying the village of Piple, near Kovno.

KAISER'S CAUTION FOILS PLOT TO BLOW HIM UP

AMSTERDAM, Aug. 11.—It is learned today that the Kaiser failed to enter Warsaw at the head of his victorious troops for fear of Russian mines.

German spies informed the Kaiser that the Russians had mined all the principal streets, parks and public squares, with Russian operators concealed ready to fire the mines when the Kaiser was over them.

The Emperor's caution foiled the plot.

ENTIRE RUSSIAN LINE NOW IN FULL RETREAT

BERLIN, Aug. 11.—It is officially announced that the entire Russian line from Lomza in the south to Novogeorgiowsk in the north is in full retreat. The Germans have captured Bogomirnov fortress. Aviators have bombed Novogeorgiowsk, Brest and Livtosh.

PUBLIC DRUNKENNESS NOW CRIME IN TURKEY

CONSTANTINOPLE, Aug. 11.—The Sultan today proclaimed public drunkenness a crime punishable by military court-martial. The edict remains in effect until the end of the war.

CROWN PRINCE FALLS IN DASH TO VERDUN RAILWAY

PARIS, Aug. 11.—Today's official communique asserts that the crown prince wasted half a million shells in a vain attempt to destroy the French works east of Verdun-le-Chateau and to reach the Verdun railway. The French held firm. French aeroplanes prevented the Germans from air-raiding Souchez.

COPETTE OF PATERSON LIKES HER JOB

Mrs. Grace Headlin has been sworn in as the first policewoman of Paterson, N. J. She has charge of the dance halls of the city and sees the patrons keep to the conventional waiters and two-steps and do not wander into the "kitchen sink" and others of the new dances.

Mrs. Headlin is forty years old. She was formerly matron at the Passaic county jail. She wears no uniform, but a small gold detective's badge is her mark of authority. In the summer she has only one dance hall to look after, but she expects that when the cool weather begins and Paterson's thirty public ballrooms are running at full blast she will need help.

WANT TO FORCE RAILROADS TO BETTER THEIR CROSSINGS

This afternoon a committee of the Santa Ana Merchants and Manufacturers' Association is conferring with City Attorney G. H. Scott with a view to determining what steps the city will be able to take to force the railroads running in this city to put in repair their grade crossings.

The committee was appointed at a meeting of the Association held on August 3.

With the exception of the Pacific Electric West Fifth street crossing, which has been repaired, the committee found the following crossings in bad shape: Southern Pacific switch crossing East Fourth street at lumber yards; Santa Fe East Fourth street; Santa Fe East First street; Southern Pacific and Santa Fe at Chestnut street; Santa Fe Depot street, very bad; Santa Fe at Washington avenue; Southern Pacific, Main street; Pacific Electric, Fourth and Bush; Pacific Electric at Fourth and Sprague; Pacific Electric, Fourth and Sprague; Pacific Electric, Fourth and Broadway; and Pacific Electric, Fourth and Ross.

Those on the committee are A. H. Williams, chairman; W. N. Vandermaast, C. H. Chapman, P. G. Beissel and J. C. Metzgar.

SAYS HE AIDED IN DAUGHTER'S DOWNFALL

LOS ANGELES, Cal., Aug. 11.—Asking the court for probation, Thomas L. Sweazea pleaded guilty yesterday to contributing to his daughter's delinquency. Judge Dehy, of Inyo county, will sentence him Friday. The girl, who is a ward of the juvenile court, was sent to jail for breaking her parole and leaving the jurisdiction of the court. At that time her mother was arrested for alleged knowledge as to her daughter's whereabouts and later sentenced to jail for ten days for contempt of court.

Mrs. Fani Steiner died in Red Cross Hospital July 16 and was buried from the home July 18. At the time Jacob Steiner was in Mount Sinai Hospital. He died July 20 and was buried from his old home. They were in their seventieth year.

THOUGH PRISON MENACES, EACH TOOK CHANCE OF CAPTURE

Those Are Charges Against Shrader and Putnam to Be Investigated

Two men have broken probation even though five years in San Quentin stared them in the face, and one man has failed to remain sober when the alternative was sentence to the asylum for inebriates at Patton.

A. K. Shrader was free only a short time. It was only March 29 last that tearfully he pleaded for a chance to make good. He declared that he would issue no more bad checks, he would follow in the straight and narrow path. He got the chance. Now he is back in the county jail. It is alleged that at Ocean Park recently he took chances and issued a worthless check.

Shrader lived in Santa Ana several months, and while here worked three or four advertising schemes. He gave some bad checks at Orange and some here. He was prosecuted upon a \$5 no-fund check given the Rossmore.

This morning when he was before Judge West, Shrader asked that his case be heard by Judge Thomas because Judge Thomas was the judge who had heard the case in March.

"All right," said Judge West, "when a man is up against it as you are, he ought to be granted any reasonable favor." The case was set for Aug. 20.

Putnam is Back

Earl Ward, alias Putnam, is going to put up a fight against the enforcement of the five-year sentence that is out against him. He was first in trouble here in 1912 when he broke into P. J. Weisel's garage at Placentia and got an automobile that did not belong to him. He was brought back into court a few months later for failing to report to the probation officer as he had been ordered to do. He was given a going over in court, and was allowed to go.

He is now charged with having stolen an automobile at Long Beach on July 7. Attorneys F. C. Drumm and N. D. Meyer, who appear for him, say that Putnam did not steal the automobile, that his mother will be here tomorrow from Los Angeles to prove that Putnam was in bed at home at the time the automobile was stolen.

District Attorney West presented a transcript of evidence taken at a preliminary examination in Long Beach in which a witness testified that he saw Putnam with the automobile.

Putnam's case is to be heard at 9:30 o'clock tomorrow morning by Judge West.

Blaylock Again

Arthur Blaylock was in court last December on a charge of being habitually inebriated. He was given a chance to leave drink alone, but he failed to do so as he promised. Officers report that recently he had been intoxicated. His case will be disposed of tomorrow morning.

FAKE ACCIDENT PROVES REALITY; 2 DROWNED

NEW YORK, Aug. 11.—Al Roy, director of the Federal Film Company, and Will Rex, a prominent movie actor, were drowned in a "fake" boating accident. The drownings followed the collision of the motorboat and a canoe in which Ray and Rex, with Mrs. Margaret Burke and Miss Mabel Spade, were enacting a scene in a comedy, entitled "A Watery Romance." In costuming the comedy, the actors wore frock coats and other heavy clothing and the women also were heavily attired. All were thrown into the water. The women were rescued by camera operators and assistants.

CAR JUMPS BRIDGE; DRIVER IS UNINJURED

WHITTIER, Aug. 11.—John Bell of Los Angeles, a driver for an auto line from Santa Ana to Los Angeles, stuck by his car yesterday morning when it struck the railing on the Montebello bridge and jumped twenty-five feet to the bed of the river below. The little car turned a somersault and struck a pile of tin cans. Mr. Bell crawled out, and proceeded to Los Angeles afoot. The accident occurred about 1:30 o'clock yesterday morning, and Mr. Bell says the fog obscured the bridge so that he came to grief. His escape without serious injury is considered remarkable.

VILLA PARK GROWERS GET EXCELLENT PRICES

Orange News: The Villa Park Orchards Association paid out yesterday on the June pool of Valencia, the neat sum of \$41,530.10 being dropped into the coffers of the frostless belt ranchers. This pool was marked by the best prices received for any pool since the organization of the association, excepting during the "freeze" year when prices on Villa Park fruit, which was untouched by frost, went up like a sky rocket.

SAN QUENTIN, Aug. 11.—A tearful scene took place today in the cell of Louis Bundy, a Los Angeles youth under sentence of death, when he was informed he had been reprieved until October 15.

Charles Oxman, his cellmate, also condemned to die, smiled wistfully when Bundy wept and said:

"Don't cry about it. You ought to be glad at not having to croak Friday. You got a long time to live. Look at me; they will kill me Friday after next."

Bundy replied: "I am not crying because I'm sorry, but because I'm glad. I may get a chance to live all the time now."

SALINA, Kan., Aug. 11.—Miss Mary Elizabeth Seraner came all the way to Salina county from Fayetteville, O., to become the bride of Francis de Sales Schneider, a young farmer, and even then came near losing out for a day at least, but she was equal to the occasion and is now Schneider's bride.

The promised delay in the nuptial was caused by Schneider getting into a runaway accident and sustaining a broken leg, fractured ribs and bruised all over his body, and his sweetheart found him bound in plaster of paris casts so tight he could not move. The situation was discussed, the young lady hooked up the favorite horse to a buggy and came to Salina, got a marriage license, engaged the preacher and returned to the farm.

U. S. FLYERS GET WARNING NOT TO FLY OVER CANADA

NEVER TALK POLITICS ON DOG DAYS—SULZER

OLYMPIA, Wash., Aug. 11.—American aviators have again been warned not to cross the Canadian border. The governor's office has called attention to the Canadian council order strictly forbidding foreign aeroplanes over British territory.

Secretary of State Lansing today sent a message to Governor Lister mentioning the danger of "regrettable incidents" in the event of American flyers going across the line.

Border Raids Extend Far Into United States Already

General Funston reports that the border raids are extending westward from Brownsville more than one hundred miles.

A movement to secure support for Ernesto Madero for the provisional presidency is developing. Madero's friends assert that financial powers and Catholics are friendly.

Carranza's message to Lansing asks the United States to permit the revolution to take its course. He blames Minister Olvera as "bringing the greatest evil on Mexico, and partly responsible for the present status of Mexican-American relations."

Elizeo Arredondo, Carranza's confidential agent, says, regarding the note: "The Constitutionalist Note Means, Told By Mexican"

"The Constitutionalist government of Mexico, represented by Carranza, refrains from expressing any comment on the Pan-American conferences, but at the same time considers it a duty to inform the United States of the displeasure with which the Mexican government and people view any act tending to frustrate the success practically accomplished against the reactionary factions by the Constitutionalist army, representing the hopes and ideals of the Mexican people."

The notes to the South American conferences state that any attempt to solve the Mexican problem with the assistance of the United States will establish a dangerous precedent as all South American nations might be similarly treated in the event of internal disturbances.

PAN-AMERICAN CONFERENCE TO SETTLE MEXICO FATE

NEW YORK, Aug. 11.—The Pan-American conference regarding Mexico resumed its deliberations at the Baltimore Hotel at 2 o'clock today, and it is expected definite agreement on steps to force peace in Mexico will be reached.

Secretary of State Lansing explained his plan, including the sending of a letter to leaders of all Mexican factions, requesting them to cease activities and agree to a provisional president to hold office until a president is elected.

CARRANZA SLAPS U. S. IN FACE BY ORDER TO KEEP HANDS OFF IN MEXICO; NEW CRISIS NOW NEARING

WASHINGTON, Aug. 11.—Gen. Carranza today sent Secretary of State Lansing a sharp note advising the United States to cease meddling with Mexican affairs.

Simultaneously Carranza sent notes to each Pan-American conference, warning them to keep their South American nations out of any conference.

Major General Funston this afternoon ordered another battalion of the Ninth infantry from Fort McIntosh, Laredo, Texas, to rush to Brownsville by special train, where the situation is reported critical.

It is stated unofficially that the fifth cavalry from Fort Leavenworth has been ordered to start for the Mexican border immediately following their present practice march.

Texas Rangers Plan Private Forays Against Mexicans

Texas ranchers are planning private expeditions against the Mexicans unless troops immediately give aid.

There are many sharp fights between Americans and Mexicans all along the border. One soldier was killed last night and a Mexican was slain this afternoon.

It is believed a concerted raider campaign is on to seize a strip of American territory along the border. At one point it is reported the Mexicans penetrated American soil for ninety-four miles.

Admiral Caperton's warships, now in Haiti, are ready to speed to the Mexican coast.

Anti-American Demonstrations Increasing in Virulence

The destination of the battleships New Hampshire and Louisiana is still kept secret, but it is believed they are undoubtedly enroute to Vera Cruz. They left Newport News last night. Anti-American demonstrations in Vera Cruz are increasingly violent. Special Agent Silliman reports that Zapataistas delayed the train bearing Brazilian Minister Oliveria to the coast from Mexico City. It is reported Oliveria is bringing a strong appeal from Americans in Mexico City asking quick relief.

Secretary Garrison's actions this afternoon indicate that orders concentrating all available troops on the Mexican border are imminent. It is stated significantly that three transports at Galveston and one in New York are ready to sail.

Committee to Canvass
A wide-spread campaign, which will have for its object the solicitation of membership in the proposed association, will be conducted at once by a committee named last night. On this committee are Fred Andres, F. B. Cleveland, Harvey Newsom, Edward Chaffee, F. S. Fitz and J. A. Knapp.

The committee was instructed to interview every bean grower in the Garden Grove district and to make every possible effort to induce the growers to become members of the new organization.

A report of the progress of the committee will be made at an adjourned meeting which is to be held at the school house Friday evening.

Enthusiasm
Interest and enthusiasm in the proposed association of bean men is growing, as is well evidenced by the large attendance at last night's meeting. Keen interest was shown by all present in the discussions which took place. Organization plans, location of the plant and other details of management were discussed from every angle. The discussions resulted in the decision to proceed at once with the organization of the association.

Edward Chaffee acted as chairman of the meeting, while W. E. Perry acted as secretary.

The attendance at Friday night's meeting is expected to be even greater than that of last night.

Every grower of this district seems to be heartily in favor of starting an association and there is no doubt now that the forthcoming committee report will be more than satisfactory.

BE TWO MONTHS BEFORE IRVINE TO EL TORO ROAD OPEN

It will be nearly if not all of two months before the section of state highway between Irvine and El Toro is open to the use of the public. The contractors are now expecting to finish the laying of concrete between September 1 and 10. At least twenty-one days must pass between the time the concrete is laid and the time light traffic is allowed upon the work.

The contract for the paving between Irvine and Galivan was the first paving contract let by the state for the state highway between Santa Ana and San Juan creek, and it will probably be the last to finish. Work on this section from the first has been extremely slow. During the winter the heavy rains were given as the reason for delays. However, the work has moved along just about as slowly since the rains as it did during the rains.

At a meeting of the State Highway Commission in Sacramento yesterday the section of pavement between Santa Ana and Irvine, a distance of 7.4 miles, was accepted by the state. This section is now being used. The state will put on the surfacing later.

New Petition For Control of Property Left By Mrs. W. E. Cook Is Filed

In a petition for letters of administration with will annexed on the estate of Jane Boylan Cook, filed today, property that stands in the name of W. E. Cook is again listed as part of the estate. That there will be interesting points raised in the settlement of the estate before it is distributed is easily predicted. Already, a number of interesting points have been raised.

A few weeks before her death Mrs. Cook went to a hospital in Los Angeles for an operation. In view of the possibility of death as a result of the operation Mrs. Cook wrote three letters to relatives, telling them what she wanted done with her estate. At the hospital she wrote a letter to her husband. After the operation, when it appeared certain that she would recover from the operation she tore up this letter to her husband. A few weeks later Mrs. Cook died of an illness not induced by the operation.

J. H. Higgins of Standfield, Cal., a brother of Mrs. Cook, applied for letters as executor named in a letter he had received from Mrs. Cook. Attorneys West, Koepsel & Eden appeared for Cook, contesting the issuance of

letters. Attorney Eden presenting the case, argued that the letters should not be considered a will, and if so considered there was nothing to show that Higgins was meant to be executor. Judge West decided that the letters were meant to dispose of the property, but that there was nothing to show Higgins to be the executor. Today Higgins filed a new petition asking for letters not as executor but as administrator. Attorneys Gonsalves & Keller and Tipton & Cailor represent Higgins.

If Higgins' contentions win, none of the estate would go to the widow, W. E. Cook of Anaheim. The principal difference of opinion as to what comprises the estate is still to come up for decision. If Higgins' petition stands as filed the estate is valued at \$14,000. If Cook's attorneys win, the estate is worth only \$1000. Higgins lists as the principal piece of property in the estate a ranch at Anaheim. Cook's attorneys declare that that property does not belong to the estate at all. They state that it was held in joint tenancy with the right of survivorship, and that since Mrs. Cook's death a decree of court has been given finding that title to the property rests in Cook. With that decree Cook has no fear that the property will be listed by the court as a part of the estate.

IN THE JUSTICE COURT

BROTHERS HELD FOR SHOOTING MEXICAN

Aguilar Says He Was Not In Watermelon Patch—Was He In Road When Shot?

While Roy Barnett, aged 15, who says he shot Dan Aguilar, was certified to the juvenile court, Casper Schontz and Matthew Schontz, for whom he worked, were yesterday held to answer for trial in the superior court on a charge of assault with a deadly weapon with intent to kill Aguilar.

The preliminary examination conducted by Justice Cox produced further mystification in the case. When Aguilar was first taken to the county hospital after he had wallowed in the dust of a road at Buena Park for five hours, paralyzed from the waist down, he said that he was shot by a man who had told him to put up his hands.

The day after the shooting Under Sheriff Iman arrested Caspar and Matthew Schontz, one of whom said that the Mexican had been shot by either him, his brother or the boy, Roy Barnett. Barnett said that he did the shooting under direct instructions from Caspar, who gave him the 22-caliber rifle and told him to shoot any person caught stealing watermelons.

Barnett said that Aguilar was in the patch, and that he fired three times. He said that the Mexican fell down on the first shot, then got to the road and there stopped.

Yesterday afternoon Justice Cox went to the County Hospital and took Aguilar's testimony. Attorneys H. C. Head and F. C. Drumm appeared for the Schontz brothers. Aguilar said that he was on his way from a Mexican camp to Anaheim, and was in the road, not in the melon patch, when some men stepped out of a corn field and began shooting at him across the field. He said he fell in his tracks. He said he at no time was in the melon patch.

Dr. Zaiser, superintendent of the hospital, testified that it was his opinion that the bullet that struck Aguilar stopped at the spinal cord and that Aguilar fell instantly, and thereafter did not and could not use his legs to run or crawl.

From the testimony of the physician and the injured Mexican, it would appear that Aguilar was not in the watermelon patch when he was shot.

The only other witness examined was Under Sheriff Iman, who testified concerning conditions found at the Schontz ranch and concerning statements made by Caspar and Matthew Schontz. Caspar admitted to Iman that he gave Roy Barnett the rifle and told him to "protect the watermelon patch."

Attorneys Head and Drumm did not put any witnesses on the stand.

Barnett was in the juvenile court several years ago on a theft charge. At that time he was allowed to go on his father's promise to take him to Imperial, where his father, who is separated from Mrs. Barnett, lives. Later the boy returned to Buena Park, where his mother lives.

Settle For \$75
Dwight Whiting and George Whiting freely admitted to Justice Cox this morning that they were speeding around fifty-seven miles an hour when the motorcops "came up out of the grass" and got them. Dwight was not driving his machine, but he was in it. The judge held that it was about the same as though Dwight was driving, and since Dwight was up once before for speeding the justice fixed his fine at \$50. George had \$15 added to the usual \$10 fine for speeding because of

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa. — "When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache."

"After taking the second bottle I noticed that the headache was not so bad. I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound." — Mrs. FRANK CLARK, 3146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women
For forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.

HUNTINGTON BEACH

G. A. R. IS GIVEN BIG NIGHT BY HUNTINGTON BEACHITES

HUNTINGTON BEACH, Aug. 11.—Huntington Beach night at the Grand Army Encampment proved one of the most successful that has been given at any of the encampments. Mrs. T. J. Bolton had charge of the program and was assisted by Mrs. R. H. Dow, Miss Marie Bushard and others. Perhaps the chief feature of the program was the drills given by the girls selected from the grammar schools in the vicinity of Huntington Beach. Two drills were given, one a hoop and flower drill by sixteen girls and the other a flag drill by twenty-four larger girls, the latter closing with the singing of the Star Spangled Banner. Two little girls gave an exhibition of dancing. Besides these features there were piano solos, orchestra selections, readings, vocal solos, quartettes, and a comedy sketch written by Fred Gallienne, a senior in the local high school.

Every number was worthy of an encore and almost every number received an encore.

Hartzell Camp of the Grand Army opened auspiciously today. During the afternoon and early evening the stirring call of the drummers was heard from time to time. Practically all of the tents have been taken and many more are expected to register within the next two or three days.

Of all the summer meetings held in Huntington Beach this one is the most popular with the townspeople and while there was a large attendance of outsiders almost every citizen who could possibly manage to get there was present at the opening program Tuesday evening.

Following is the program:
Prayer by the chaplain of the camp.
Address of welcome, Mayor E. E. French.

Response, Commander Brown.

America, by the orchestra, sung also by the audience.

Reading, "Mr. Brown's Hair Cut," Margaret French.

Piano solo, Harry Jonas.

Hoop drill, sixteen young girls—Ethel Bartholomew, Merle Moore, Frances Pink, Alta Hall, Elsie Birnie, Edith Kasper, Marion Clark, Anna Brainard, Elsie Lake, Ivy Lake, Florence Hill, Elsie Seymour, Esther Irwin, Elsie Brunton, Ruth Kasper, Dorothy Stearns.

Comedy sketch, Fred Gallienne and Clarence Hunt.

Orchestra selection, ending with Star Spangled Banner.

Flag drill, by twenty-four girls—Margaret French, Lena Hall, Melva Rosenberg, Anna Scott, Pauline Manning, Lena Cole, Sarah Miriam Paine, Elsie Lake, Rachel Irwin, Dovey Smith, Vera Bushard, Hester Gray, Andra Brunton, Vera Winnebrenner, Mildred Moore, Gladys Rennick, Grace

Bradley, Mildred Swift, Gladys Wardlow, Lola Criley, Fay Snyder, Idonah McConville, Ruth Hill, Helen Newland. Selection, Leona Quartet.

Reading, Mrs. C. E. Shank of Los Angeles.

Piano Trio, Melva and Vincent Rosenberg, Helen Sundbye.

Vocal solo, Clarence Hunt.

Song, "Good Night, Soldiers," seven little girls—Alita Brunton, Dessie Carroll, Margaret Lockhart, Louise Jensen, Elsie Seymour, Olive Hill, Helen Stearns.

BREEZY NEWS NOTES OF HUNTINGTON BEACH

HUNTINGTON BEACH, Aug. 11.—Miss Flossie McQuiston, a graduate of the high school in the class of 1913, and soon to become a bride, was given a delightful miscellaneous shower at the home of her brother, Jay McQuiston, near Talbert, last week. Miss McQuiston was one of the most popular members of her class and since her graduation here has taken a business college course in Los Angeles.

The plans for the W. C. T. U. institute were carried out at the meeting Monday at the First Methodist church of this city. An executive session was held from 10 to 12 o'clock and an institute open to the general public was held from 2 to 4 o'clock in the afternoon. For a number of reasons it was necessary to postpone the contest which had been planned, and it will be held on the evening of August 24.

A canvas cover has been placed over the dancing platform, which continues to be patronized by a number of out-of-town as well as local people.

Daniel Deardorf, a former resident of Huntington Beach died at Patton last week. He was seventy years of age. The body was brought to Huntington Beach for burial.

A number of citizens have been subpoenaed as witnesses in the case of Constable Eugene Davis who is accused by a man whom he arrested at the P. E. station some time since, of having used undue roughness in making the arrest.

W. L. Campbell has placed on exhibition a radish grown on his place east of the city, which rivals the best of them. The root of the radish was broken off in the digging, but what was left measured forty-seven inches in length. The circumference of the radish was 15 1/2 inches and the weight 11 1/2 pounds.

Doings In Social and Club Circles

SURPRISE PARTY

Members of Social Bible Class Take President and Bride Unawares

Mr. and Mrs. Clarence S. Crookshank, who have recently returned from their wedding trip, were delightfully surprised last evening when forty-four of their friends, members of the Social Bible class of the First Congregational church, of which class Mr. Crookshank is president, gathered at their new home, 810 French street.

Prof. E. M. Nealey was gaily accepted as master of ceremonies and called upon Alan G. Revill for two songs, which were very much enjoyed. Miss M. Birden Henry recited Browning's "Apparitions," and one of Rudyard Kipling's poems, responding to a hearty encore with a humorous ditty in verse. Mr. Crookshank also read a Pullman car, and recited "Sebastian Morey's Oration."

After this impromptu program games were the diversion, an amusing guessing game keeping everyone puzzling for some time. The prize was awarded Mrs. Perry P. Schrock and Mr. Shaw, the latter confessing that he had only guessed one number correctly while Mrs. Schrock had guessed fourteen.

Mr. and Mrs. Crookshank were presented with a beautifully gilded floral basket, Prof. Nealey making the presentation speech on behalf of the class.

Mrs. A. J. Crookshank, Mrs. C. A. Calkins, Mrs. Ruth Marr, Mrs. N. A. Beals, Mrs. E. M. Nealey, Mrs. Charles S. Shaw and Miss Lida Crookshank assisted in serving dainty refreshments of cake and ice cream.

Study Club Meets
The Woman's Independent Study Club will meet with Mrs. Inez Hall at 115 South Sycamore street tomorrow afternoon at 2:30 o'clock. The subject for discussion will be "Human Work." Visitors are cordially invited to attend this meeting.

Hostess to Embroidery Club
The members of the Happy Hour Embroidery Club were delightfully entertained yesterday afternoon at the home of Mrs. E. T. Brannan, 2094 Bush street. Dainty bouquets of salmon pink carnations and asparagus ferns were placed about the rooms. The afternoon was pleasantly spent with conversation and fancy work. Refreshments were served Mrs. William Kaye, Miss Mabel Blodgett, Miss Minnie Wild, Miss Freda Moesser, Miss Helen Marr, a guest of the club, and the hostess.

FROM THE LOTUS-EATERS

How sweet it were, hearing the downward stream
With half-shut eyes ever to seem
Falling asleep in a half-dream!
To dream and dream, like
yonder amber light,
Which will not leave the
myrrh-bush on the height;
To hear each other's whispered
speech;
Eating the Lotus day by day,
To watch the crystal ripples on
the beach,
And tender curving lines of
creamy spray;
To lend our hearts and spirits
wholly
To the influence of mild-minded
melancholy;
To muse and brood and live
again in memory,
With those old faces of our
infancy
Heaped over with a mound of
grass,
Two handfuls of white dust, shut
in an urn of brass!
—Lord Tennyson.

C. W. B. M. Meeting Tonight

The monthly missionary meeting of the ladies of the Christian church will be held in the Sunday school room of the church this evening at 7:30 o'clock. The evening has been chosen as the time of the meeting so that those who are employed during the day will be given an opportunity to hear Miss Myrtle Wilson and Mr. F. V. Stipp, who are saying farewell to their homeland before leaving for their missionary work in the Philippine Islands.

A social hour will be held after the meeting in compliment to Miss Wilson and Mr. Stipp.

Auto Party Returns

Mr. and Mrs. Theo. A. Winbiger and son Ernest Winbiger and Wells Innis have just returned from a three weeks auto trip. The party spent five days at the San Francisco exposition going from there to Lake Tahoe and to Mono Lake and through the beautiful and picturesque new Tioga pass to the Yosemite valley, coming back by Mariposa Grove, making some sixteen hundred miles in all.

Returns From San Diego

Miss Ruth A. Heil returned yesterday to her home at 407 West First street, from San Diego, where she has been spending the past three months at the home of her sister, Mrs. Marion Heil Seymour. While in San Diego, Miss Heil visited the exposition and continued her studies in oil paintings and also made a trip to the mountains.

LAMBERT-WELLS

Marriage Quietly Solemnized at Home of the Bride's Parents

The marriage of Miss Clara Wells to Mr. Ray C. Lambert was quietly solemnized last evening at the home of her parents, Mr. and Mrs. George W. Wells, 1118 West Third street, the Reverend Joseph A. Stevenson officiating in the presence of about fifty relatives and intimate friends.

The house was beautifully decorated with asparagus ferns and pink amaryllis. Sprays of the graceful fern were draped behind the picture frames and over the doorways and windows. A pathway was formed of potted ferns through which the bridal party passed to a fern bower decorated with a large cluster of pink amaryllis, where the ceremony was performed.

Preceding the ceremony Mrs. Nat H. Neff sang Nevin's "Nightingale Song," and Miss Sally Wilson, of Long Beach, sang "Oh Promise Me," after which Mendelssohn's wedding march was played by Mrs. Betty McPhee.

The bride wore a handsome gown of white pussywillow tulle with lace yoke and pearl trimming. She carried an arm bouquet of maidenhair fern and white bridal roses tied with white chiffon ribbons. She was attended by her sister, Mrs. Edward Abbott, of Los Angeles, as matron of honor. Mrs. Abbott's gown was of white broadcloth silk and she carried an arm bouquet, similar to the bride's, of white roses and ferns. Mr. Abbott was best man.

The bridal colors, pink and white, were carried out in the decorations of the dining room and in the refreshments served. Mrs. Dan Stearns and Mrs. Roland Stearns, an aunt and cousin of the bride's, and Miss Sally Wilson and Miss Genoa Edgerly assisted in serving.

The bride's going-away gown was of black and white cloth with hat to match. Before leaving she threw her bouquet which was caught by Miss Wilson.

The bride and groom left for Los Angeles, where they will be joined by Mr. and Mrs. Wells today and from which place they will all go by auto to San Francisco for a two-weeks' stay at the exposition and other points of interest, spending some time at the home of Mr. and Mrs. J. C. Stearns in Watsonville. Mr. Stearns is a brother of Mrs. Wells and formerly lived in Tustin.

MEXICAN WOMEN KILLED

Ana Tacro Ruiz and Redita Martinez, two young Mexican women living near Watts, were engaged in conversation last evening while on their way home that they walked directly in front of an inbound Santa Ana train at Compton avenue crossing. Motorist F. J. Dowling saw them approaching the track and believing they would stop, sounded his whistle.

The two women apparently failed to hear the warning blast and stepped on the track directly in front of the train before Dowling could so much as put on his brakes. Both were tossed high into the air and killed instantly.

WELL KNOWN MAN IS LAID TO REST

NEW YORK, Aug. 11.—Gus Feiring, a photographer, reported to District Attorney Greene, at Riverhead, that a mysterious attempt had been made on his life with the fumes of carbolic acid.

The photographer said that he entered his office and scented a peculiar odor. Some time later he went into his dark room to do some developing and closed the door after him. The rest, he said, was vague, but he remembered being overcome by an intense choking. He made his way back to his office and as soon as he could walk hastened to the office of Dr. A. R. Van Deine near by. The physician told the photographer he had inhaled the fumes of carbolic acid.

The photographer told the prosecutor there was a certain person who would profit by his death, and that he was sure some one had scattered the acid around the floor with the hope that he would inhale the fumes, become unconscious and succumb.

CONSCRIPTION IS LOOMING AHEAD FOR BRITAIN

Brother of Local Man Writes
Of Conditions Found
In England

G. Y. Coutts, 406 West Sixth street, has received from his sister in Toronto, Canada, two copies of "The Review," published in Durham, a suburb of Toronto. One of the papers contains a copy of a letter from Lieutenant Coutts, Royal Army Medical Corps, a brother of G. Y. Coutts. The letter was written from Farnborough, England. Since the letter was written Lieutenant Coutts has proceeded to the Mediterranean. The other letter printed in "The Review" was written by James M. Farquharson, a nephew of G. Y. Coutts. Lieutenant Coutts writes, in part:

"This is a terrible war. The task is gigantic. The efforts of our Empire have to be equally stupendous. We are rising by degrees and the degrees will continue. I fully expect to see conscription after a while. There is always a section of a community that requires compulsion. It is an awful ordeal for a man to face and yet we must face it today. Living here in Britain a man who is fit and free must have a thick skin to resist the appeals and pressure of public opinion. Everywhere the country is placarded with appeals to men to join the colors to do their duty. The newspapers all echo the refrain, the pulp calls upon men to be true to their country and duty. I fancy no preacher in the land preaches a sermon that has not a direct bearing upon the war.

"And poor Germany! That great nation is fighting for her life with a spirit and an energy that I fear we have not yet emulated but will do so one day. Canada has not yet aroused. There are thousands of our young men there today who are never dream-

ing of joining the colors, who will yet feel confident, find themselves ranged on the fighting grounds of Europe. Britain simply had no measure of the task she was undertaking. It is being brought home to her more and more and in another year she will be fully awake. But another year will assuredly not close the war. That time is known to Heaven alone."

Following is an extract from Farquharson's letter, written in the trenches "somewhere in Belgium": "Milton Mills phoned me the other day and told me the Durham papers had me labelled a prisoner of war. Am pleased to say I am not yet reduced to a diet of sauer kraut and limburger cheese and hope not to be so long as we can get bully beef and Ticker's jam on this side of the lines. Between the two evil diets I don't know which I would choose, but I certainly prefer to be on the English side of the parapet. Milton is a signaller in the Tenth battery, and some way or other happened to run across one of our stations last week and called me up.

"The trenches we are at present holding seem to be very quiet, although there is a lot of sniping and it is not healthy to expose yourself any more than you can help. There has been nothing doing in this line for some time, but now that the Canadians are holding it, the Germans will no doubt stir up trouble of some kind or other.

"The first night we were in here our engineers exploded a couple of mines to smash up a gap the Germans were driving towards our parapet. Although we were about three hundred yards from the explosion, the ground underneath rocked like a crazy canoe. Our trenches immediately opposite the explosion were showered with German barbed wire entanglements and sand bags.

"The following night we got quite a scare. One of the fellows heard sounds of picking, which he judged originated beneath his dugout. Of course we jumped to the conclusion that the Germans had drawn a sap beneath our trench and we began to wonder just how high three or four tons of dynamite would blow us. Before long it was discovered that the sounds originated from one of our own working parties, so we went to sleep in peace."

ASK MERCHANTS TO AID FAIR PROJECT

Commencing tomorrow morning merchants are to be solicited for subscriptions for a fund to be used in furthering a county fair to be held in October at the Santa Ana race track. A meeting was held yesterday in the office of Dr. H. J. Stevens for the purpose of considering means and measures. Dr. Stevens said:

"We will have racing, of course. No fair would be a success without trials of speed. But the races will be an incident in the fair, not the feature of the exhibition itself.

"We intend, if we can bring this thing to a climax, to have a fair which will be patronized by some of the other counties in this part of the state. We look for exhibitors from other counties. The date on which we will hold the fair, if at all, will be in October, five days, beginning October 12. The project has the endorsement of the Santa Ana M. and M. and Chamber of Commerce.

C. D. Hayes was one of the merchants present at the meeting. He expressed himself as being very favorably inclined towards the fair idea, but said he would be strongly in favor of having district exhibits made a feature of the fair, it having been his experience that there was nothing in any county fair which brought so much wholesome competition to the surface as these exhibits, unless it was the exhibits from individual farms. Hayes was very enthusiastic regarding the prospects of, having a fair this year, and when some of those at the meeting said they were inclined to think that it would not be as great a success as though there were no great fairs in other sections of the state, he proved to the satisfaction of everyone present that the very opposite would be the case, and that many people who could not or would not go to the other fairs will support a fair in this county with enthusiasm.

Ed R. Smith, representative of the American Trotting League on the Pacific Coast, said he had no doubt, from the experience he has already had in the line of fair promotion, but that the idea would be workable and a success.

George A. Edgar said: "The thing to do is to get the matter before the people. Let them know there is such a movement in the air, and I am persuaded that they will be prepared to greet the committee when it comes around to solicit, with a most generous response to the appeal. Let the business men know that there will be a fair if they help, and they will help, all right. The merchants and business men in this city are the very best imaginable when it comes down to digging up coin for a proper purpose, and if they know what is expected of them they will come across every time. Take it from me."

Horace McPhee, formerly proprietor and editor of the Blade, was also of the opinion that the fair could be made a success.

Chas. S. Shaw was asked to be one of a committee to put the subscription proposition up to them. He will be accompanied by at least two other who were at the meeting, and in all probability will start tomorrow morning.

Should the idea germinate into fruition, there will be a premium list which will be second to none in any of the counties in this part of the state. The live stock exhibitors will bring the very choicest produce of their ranches to enter here. The best exhibits from the Riverside fair will be shipped here, as that event will

PIRIED OFF LOCK BUT NOTHING IN STORE TAKEN

Burglar Gained Entrance to
312 North Main, Used a
Jimmy to Pull Staples

The burglar who last night broke into J. W. Dean's store at 312 North Main street may have been after money only or he may have been frightened away before he had a chance to gather up the things he wanted to take away. At any rate, nothing in the store was disturbed.

Dean's store is the agency for the White sewing machine. In it Mrs. Dean has the Woman's Exchange, a millinery shop and a notion store. The door opening on to Main street was locked with a padlock. Marks on the door show that a jimmy was used to pry the staples out of the wood.

When Mr. and Mrs. Dean arrived at the store this morning they found the door open, as it had been opened and left by the visitor. Examination of the stock of goods failed to disclose anything missing. No money had been left in the money drawer the evening before, and if the burglar located the drawer he found nothing in it.

HAVE RAISED \$2000 FOR RIVER WORK

Anaheim Herald, Aug. 10: The report of the committee on river protection at the Board of Trade meeting last evening was made by J. W. Duckworth. It was shown that about two thousand dollars had been subscribed and that a committee of three had been appointed to look after the work and see that everything is done properly and economically. The committee asked for a little more time to get the necessary twenty-five hundred dollars to make the protection of the river a reality.

Prof. E. W. Hauck of the Advertising Committee reported that the road signs had been completed by Mr. Gresswell and that they would be erected in a short time. They are reported to be very well done and the committee paid Mr. Gresswell a compliment on his work.

The Advertising Committee was also given some additional work when J. H. Clabaugh, local agent of the Santa Fe railway, told the meeting of the proposed special excursion that his company was planning to run to California about the middle of October. The Board of Trade last night left the entertainment of the excursionists to the Advertising Committee with power to act.

It is proposed to have the trains stop over in towns where the local organizations will show the excursionists over the country.

THE cardinal virtue in banking and in business is PUBLIC CONFIDENCE. It is the essential asset without which success is impossible. It must be inspired by the personnel of the directors and the management and must be held by conservatism in the policy of conducting the bank's affairs. This is the attitude taken by the Farmers & Merchants National Bank of Santa Ana since its organization in dealing with the public—and that the public has responded in the generous measure that it has, in entrusting its money to our care, is sufficient evidence that the public views the matter as we do.

LOS ANGELES PRODUCE MARKET

Nectarines experienced a rise in price, and the same are now worth \$1.50 a lug. Satsuma plums, which promised to be scarce on Monday, are again plentiful, and are bringing 50 and 60 cents a lug. Sweet potatoes are easy, and first-class stock was selling Tuesday for 3 cents a pound. Both white and brown onion sets are in the market, and are selling to the trade at 10 cents a pound.

Butter was the chief attraction on the Produce Exchange yesterday, and creamery extras sold in quantity at 25 1/2 and 26 cents a pound, closing sales being at 26. San Francisco quotations were unchanged, with the exception of eggs, which went to 32 cents a dozen, an advance of 1 1/2 points. Receipts of eggs and butter were 179 cases and 53,550 pounds, respectively. Cheese was inactive, and arrivals were 200 cases. The remainder of the receipts consisted of 1315 sacks of potatoes, 30 sacks of onions, 262 sacks of sweet potatoes, 546 boxes of apples, 2250 boxes of peaches, and 1147 lugs of grapes.

CURRENT PRICES

The following market prices on poultry and eggs, fruits and vegetables are compiled daily for the Register, based on the quotations prevailing on the Los Angeles produce exchange for the business day preceding. Every effort is made to keep these quotations accurate and down to the latest possible available figures.
